Thelma loved to have a
tippie with friends - sweet
sherry, gin and tonic, beer
shandy.

When her daughter Thelma
Gwenneth was home from
travelling the world, the
stories got more
out-landish as did the
drinks and nibbles offered.

We have curated a list of
foods that we love to have
with a good drink and great
company. Designed to share,
choose a couple and enjoy.
we wanted to capture the
lightness of the warmer
days spent with light and
bright snacks and BBQ
flavours from the grill.
